Mr. Charles Leonard
Executive Director
Foreign Policy Association
of New Orleans
611 Gravier Street
New Orleans 12, La.

Dear Mr. Leonard:

On behalf of General Cabell, I am replying to your letter of 13 February. General Cabell prefers 9 May to address the Foreign Policy Association of New Orleans.

General Cabell plans to talk on the general subject, Communist science. We shall give you an exact title shortly. You are correct in your assumption that he will take care of his travel expenses.

I shall let you know in plenty of time about his precise travel plans, and we are sending you a biographical sketch and two glossy photographs.

Will you please let me know as your own plans become firm about the time and place of the speech, the size of the audience, and dress.

If there is anything I can do to help make this occasion worthwhile for all parties concerned, please let me know.

Sincerely,

JS
